Sir:

This letter pertains to the objection to the drawings wherein it has been indicated that the shading in Figures 1, 7 and 8 is not permitted. A copy of the Notice of Draftperson's Patent Drawing Review is attached and reference is made to paragraph 11 thereof.

In reality there is not any shading shown in Figures 1, 7 and 8. However, there is considerable cross-sectional indications in these figures. A careful examination indicates that this crosshatching is entirely proper. A copy of Figures 1, 7 and 8 is attached.

CERTIFICATE OF MAILING

I hereby certify that the attached document was forwarded by First Class Mail with proper postage affixed to Box Issue Fee - Drawings, c/o Technology Center 3600, US Patent and Trademark Office, Washington, D.C. 20231, on this 5th day of October, 1998.

DONALD H. ZARNEY

Accordingly, it is requested that the requirement for a change in Figures 1, 7 and 8 be clarified or withdrawn. In any event, a specific commentary as to the clarification should be made. Again, no shading is shown in these figures. Clarification is therefore requested.

Respectfully submitted,

Donald H. Zarley, Reg. #18,543
